

WARD 3 - SPRING

Summer Camp Registration | May Primary | NOCCA

Anthony A. Akins, Sr.
Ward 3 Councilman

Welcome to warmer weather

Greetings Ward 3! As the weather begins to warm up you will start to hear the familiar sounds of lawn mowers, basketballs and children playing. Please be careful when you drive down the streets of Oakwood. Look for possible balls rolling in the street or children who may not be looking. Be mindful so we can all enjoy a safe and relaxing Spring and look forward to Summer!

Springtime check

Please to check your smoke alarm batteries and air filters to make sure they are good and in working condition.

Remember to Vote!!

The May Primary is Tuesday, May 7th. Oakwood Village has a zoning issue on the ballot. See you at the polls!

Summer Camp Registration

You will soon be receiving information about our upcoming summer camp program. This will feature 10 weeks of fun and learning for our youth, ages 8-17. Please ensure you sign up your child as soon as possible to secure their spot!

Shred Day is coming!

Oakwood's actual Shred Day will occur on Saturday, June 8th from 9am-12noon at the Oakwood Community Park next to Mt. Zion church. Please bring your items in a bag or box (no paper clips) and you can watch them be securely shredded in a huge truck before your eyes. The best way to spring clean your home of old documents!

Save the Date! May 16

Did you know that Ohio is the 4th highest state in Human Trafficking followed by New York? Every community, including our Village needs to be aware of the signs of Human Trafficking.

Please join us on Thursday, May 16, 2019 for a forum on *Human Trafficking in Northeast Ohio: What Can We Do?*

Email noccaorg@gmail.com to register to attend.

Last month, your Ward 3 councilman was elected to become the new Vice-President of the Northeast Ohio City Council Association (NOCCA). As my first duty as VP, I will be coordinating the forum. Look forward to seeing you there.

Waste Management trash cans are out!

Trash cans have been distributed around the Village. Each home received one waste receptacle. This will be the only can that Waste Management will provide and accept.

Please refer to codified ordinance 981.02 as follows:

981.02 CONTAINER REQUIREMENTS.

- (a) No person or owner shall permit to accumulate upon the premises any garbage or refuse except in covered containers as hereinafter provided, except for tree cuttings.
- (b) No such container shall be stored or placed closer to any building, used in whole or in part as a place for human habitation, than twenty-five feet, except storage in a building located upon the same premises wherein such containers are stored.
- (c) No garbage and/or refuse container shall be stored or placed in front of the premises and/or on the tree lawn except as hereinafter provided.
- (d) Refuse may be stored in garbage containers; however, no night soil shall be placed in either garbage or refuse containers.
- (e) All garbage shall be kept in rust-resistant, watertight, nonabsorbent and easily washable containers which are covered with close-fitting lids. Where practical a garbage shall be drained of liquids and wrapped in papers. These containers shall be of adequate capacity and provided in sufficient number to hold all garbage that accumulates between collections. All containers shall be washed and treated with a disinfectant as often as necessary to prevent nuisance.
- (f) All refuse shall be stored in reasonably tight and substantial containers that are easy to handle and whose weight does not exceed fifty pounds. Such container shall be of adequate capacity and provided in sufficient number to hold all refuse that accumulates between collections. Insofar as practical, boxes, papers, tree cutting and odd articles shall be crushed and bundled in lengths not to exceed four feet and shall not exceed fifty pounds in weight.

(Ord. 1971-20. Passed 2-2-71.)

Please contact Waste Management if you would like an additional receptacle at your cost.

We want to see YOU at our next council meeting!

Council meetings meet the 2nd and 4th Tuesday of each month at 7pm in Council Chambers. Summer recess begins the 4th Tuesday of July to the 2nd Tuesday of August.
