Paper Recycling in Jeopardy

River Valley Paper Company

Over the past several years, the Village has partnered with River Valley Paper Company to offer a simple way to recycle paper, using the bin located near the Sandwich Shop at the intersection of Pettibone and Broadway. The paper and cardboard is recycled and a small stipend funds the Hawthorne Valley Youth Council program.

Unfortunately, with the fall of recycling prices, River Valley can no longer support a paper recycling bin which does not recycle at least two ton per month. We have been collecting less than the minimum for some time. For this reason, the bin is in jeopardy of being pulled. If this happens, please recycle paper in your curbside recycling.
