Welcome to Fall!

As you can tell from the weather and leaves, we are moving into Autumn and with that, cooler weather ensures. Please dress for the weather as it begins to cool and remember to wash your hands frequently to prevent the spread of germs. Also, as kids are going back to school, please be mindful of them standing on corners or walking down the streets in the mornings and afternoons so they can be safe.

As always....

For those of us with dogs, please keep your pet on leash when walking. Also please remember to clean-up after them. We want to allow all of our residents to feel safe. **Also do not dispose of trash on the streets while walking and/or driving.** Keep Oakwood clean and beautiful .

Citizens Academy

The OVPD Citizens Academy is presenting classes where residents will get an inside look at Law Enforcement in Oakwood Village with a focus on educating the community about the daily life of officers. The Citizens Academy will meet:

Thursday nights from September 27, 2018 thru November 15, 2018 from 6pm to 9pm. The class size is limited, and priority will be given first to those who live and work in the Village of Oakwood, then to surrounding communities. Please visit the OVPD website for an application and further instructions at <https://www.oakwoodpolice.org/>

Upcoming Road Closure

Richmond Road between Buckthorn Road and East Hawthorne Parkway, will be closed to allow for the replacement /repair work on the railroad crossing starting on **October 8**. It will reopen on **October 15**. **This will be full closure, no emergency access will be possible during the construction period.** Our website will have more information on a detour soon.

REMINDER!!

Please take a moment to check the batteries in your smoke and/or carbon monoxide detectors. This periodical check can save a life. Our Fire Department has smoke detectors on-hand for residents.

Trash Cans are coming!!

After the 1st of next year, Waste Management will begin to deliver new trash receptacles to help accommodate their new trucks that have 'arms' to pick up the cans. We will all receive one standard can and one recyclable container. Additional cans will be available for purchase. More info forthcoming.

Vote November 6th for the issues and candidates that matter to you.
